

UUFCO Non Monetary Gift Proposal Form

Confirmation Code: 89690850

Donor's Name	Mark Hickman
Email	Mark-hickman@hotmail.com
Phone	360 904 7965
Address	1923 NW Eastes St Bend, OR 97703
Date of Gift Offer	06/06/2017
Description of Gift	MacBook Pro laptop computer (2013), including microsoft office software and power cord
Purpose of Gift	The intended primary user of this computer is the music director, Virlene Arnold, who is a Mac person, and wants to conduct a music inventory and put results in an Excel file. This computer also has the remote heating and cooling control software installed, so could be used to adjust the church climate control settings.
Committee or Program that will be supported by gift	Music advisory committee, music programs
Describe how/if the gift might impact long term budget (moving, maintenance, support, storage, etc)	some amount of computer support may be required to keep software current
Are you willing to negotiate terms of the gift?	yes
Describe other aspects of the gift that are pertinent	output port that we use for projection at UUFCO does not function, so this device won't be good for giving presentations to groups, but no other systems are known to be defective
